

## Antonietta Faricelli

1873–1910

Antonietta Faricelli was born in March 1873 in Civitaquana, Pescara, Italy. She married Bernardino Di Crescenzo on July 14, 1898, in Wappingers Falls, New York. They had four children during their marriage. She died in June 1910 in Paterson, New Jersey, at the age of 37.

### Birth

There were a number of people with the Farricelli last name living in the same place as Bernardino and Antonietta in the 1905 NJ Census, however I couldn't find birth records for them or even their names on passenger lists.

The majority of people with the surname Faricelli are from a small commune in the Pescara region of Abruzzo called Civitaquana.

### Marriage

Antonetta Foraselli married Bernardino Crescenzi on 14 July 1898 in Wappingers Falls, New York. I can find no information on how or where they met or why they were married in Wappingers Falls. On her passenger list on the Victoria it is stated that her destination in America was Wappingers Fall, NY. On Bernardino's passenger list (also the Victoria) a few months later, there is no mention of his destination in America. He could have also gone to Wappingers Falls since it is close to Poughkeepsie where there was a lot of construction work. They could have met while still in Italy, if Bernardina was from the Pescara area. Their marriage could have been arranged. Or they could have agreed to marry while in Naples before Antonina boarded her ship since Ellis Island required unmarried women to have a male relation to take care of them lest they become prostitutes or a public burden.
